Ode

ABOUT US

Ode was started by a family who fell in love with a street: Dundas St. West. We dreamt of creating a place that celebrates the best of what the neighbourhood is becoming and what it once was. So we made Ode for people like us.

That means we're not the Hyatt, the Marriott, or any of the Four Seasons. We cater only to our guests and answer only to our mother. This business is our baby, so we are dedicated to creating the best experience for everyone who walks through our front door.

Ode

ROOFTOP

When you say Ode's rooftop - I say...nothing, I'm already on my way to the roof and have left the conversation.

Featuring two floors, massive colourful murals and sunset views of the city, Ode's rooftop is one of the most memorable places to host your special event (if we do say so ourselves). Add a DJ, a cocktail fountain and some mouthwatering food and you've got a party goin'!

Perfect for weddings, photo shoots, team building events, corporate activations, drag brunches, divorce parties, political rallies, and more!
